

Thank you for all the help & advice you've given me since I started in DQ - I'll do my best to continually hold two opposing thoughts at once!
Caroline

All the best for the future Elwyn, pity it was a short one. Thank you for all the knowledge & expertise you have passed to our team. Brendan

Thanks for all your training in CTQ identification. ATB in your next venture, Hope it's lined up before you read this

To, Elwyn.

Thanks Elwyn for all your great work and support. It's been great to see a person with great courage. I wish you and hope there is nothing but success and promotions in your career's destiny. —Javo Jr.

Sorry to hear you're leaving & best of luck in your next job!

You'll be missed.

I've enjoyed working with you and hope your next posting is lined up very shortly
